Perfect for e-learning, presentations, youtube video and increasing the accessibility of your site. More of questioning Wered.Net Transforming texts on speeches is saving time, but also ingenious. With Polly, you can also create a custom voice for your site in a style "newscaster" - These are some of the best text sites for speech that can help you. ReadTheWords is a free website that gives you the ability to take longer texts and convert them into MP3s that you can download and listen, incorporate or even post as podcasts. Our voices pronounce their texts on their own language using a specific accent. Please refer to Amazon SSM tags for Amazon Polly English was brought to Grand-Britain in the middle of the century XII to 7th. You have some different options for languages, speeds and accents, which gives you a small flexibility with your speech audio. With a little study, and some practical, almost anyone can learn English. Register here for premium access 24 hours. You can choose male or female voices, variable speeds
