Their knowledge about the best flow to be applied and the complex needs and steps involved where enormous benefit during the process and saved a lot of time, money and headaches. I would strongly recommend them to others who try to work or live in Canada and use their services again if I needed to. Dan Shawna and his incredible colleagues are absolutely amazing! always respond in a really short time period, they are always really prepared and are able to suggest their customers the best options for them in order to stay / come to Canada. Without them, maybe my family and I wouldn't even be here! We couldn't ask for anything better! We really recommend this place to all those people like us looking for a way to get into this great country! Claudio P. I know Shawna and his team since 2014. I had my permanent residence and then presented my citizenship through his company. In both cases the process went so smoothly and I was approved before the expected time. Shawna has the best team. I had to deal with some members of his team, and what was more distinguished was Evelina. It's a rock star. Very professional, pleasant and competent. What? The world of Canadian permanent visas is a constantly evolving maze of documents and obstacles fromlt's useless to say we couldn't do it without Shawna and her incredible team! It was a long way but we are so grateful for their guidance, service, thousands of questions answered, andin all this process. Their professionalism and their warmth helped lighten our minds worried when the wait was hard, but all we had to do is wait, they did all the hard work for us and we are so indescribably grateful. If it hadn't been for them, we'd have surrendered a long time ago. Thank you so much! Amanda A. We have considered 4 different groups last year to assist us in this effort. Luckily we agreed to undertake Pathway in Canada and there is no doubt that others would never have done as much heavy lifting as this group has. It's a statement that says ours was complicated. Because we traveled a lot we had to deal with issues that would most generally not face and the Pathway to Canada magnificently gave our unique circumstances. Pat & Janet We are so grateful for the experience we had with Pathway in Canada in Kelowna. Everyone is so professional and on top to answer any question or concern we had. Our advisor went through the process in a way that was helpful and encouraging. Honestly, we couldn't do this long process without the competence and guidance of staff. We will always be grateful for their work with the immigration process and always recommend Pathway to Canada to anyone who needs immigration or questions.
