Introducing **Zombie Diary 2: Evolution**, an exciting game full of potential that impresses with its simplicity and rich content. However, as one of the excellent zombie games for mobile, anyone can download it for free on Google Play (Android). Despite being a zombie killing themed game, the game is not full of horror or ordinary horror but instead has a very unique "fun" essence plus "screaming" gameplay. Sweeping makes us bloody, but still full of fun. Gameplay This game is an attractive action game for Android devices. You will play the role of heroes to destroy the zombies that are wreaking havoc everywhere. Zombies are walking the earth, controlling our planet and driving all people to the last lands, a terrible cataclysm is coming and humanity will be on the brink of danger. As a survivor, you must take weapons to fight and destroy zombies to protect your loved ones. The responsibility for the survival of humanity is in your hands. You have many different types of weapons with a varied arsenal. Get your guns and fight for survival by killing all zombies. If you kill all zombies you will get gold coins and diamonds. You can use these gold coins to upgrade weapons or equipment. Features of **Zombie Diary 2: Evolution** **Zombie Diary 2** apk offers players to fight against bloodthirsty zombies. In the context of a zombie pandemic around the world. There are monsters and zombies all over the world. These are corpses that have been bitten into monsters and turned into monsters. You and a lucky few in the world survived. Take on the role of a brave knight who wants to destroy all these hated monsters. Various Characters The characters in the game are very diverse, with over 10 different characteristics. Each character has its own advantages, its own characteristics. Choose one of the characters yourself: Alex Murphy, John Bob, JK, Ray Park, Bane, Snake Eyes, John Bob or Sophia. Only one character can be drawn into battle. Characters have stats that you can improve. To increase strength, upgrade the character's special abilities. You can improve the following traits: health, armor or speed. Collect gold coins and items in each game to make the process easier. Modern weapons and vehicles More than 100 different types of weapons are available in the game, including: pistols, knives, grenades, etc. and many other military weapons. Each weapon has its own attack function. Depending on the type of monster, you can use the most appropriate one. Also, an extremely important factor that contributes to an easier victory is how you fight. Robots, tanks or, if you like flying in the air, airplanes are the wisest choices. Everything is sold in the shop for coins or diamonds. Item system Depending on the game, choose the 3 most suitable items. Defeat all enemies to get lots of gold coins. There are items on the monster's body that will fall if you destroy them. Please take it and use it in the next missions. Graphics and Sound Overview What attracts players to this game is the excellent picture and sound quality. Despite being a mobile game, this gameplay has really good visual quality, they are also carefully and honestly crafted down to the smallest details. This game is designed with simple 2D graphics in cute western comic style, so you will feel very comfortable while playing. The most realistic and vivid sound is the sound of gunshots and the soundKill zombies, which gives players a more dramatic and immersive feel during the game. Sometimes zombie scars disturb and scare me. The game's background music also gives players a sense of excitement and anticipation, adding drama to the game. Download **Zombie Diary 2 Apk - Mod** for Android. The game is designed to help people satisfy their need for entertainment after hard and tiring hours of study and work.
