## Ekg nha practice test

The NHA EKG Certification Exam: A Comprehensive Guide The National Healthcareer Association (NHA) offers a free EKG practice test for certification preparation. These tests are designed to mimic the actual exam and help identify strengths and weaknesses. To access these tests, visit online nursing certification websites that offer multiple-choice format tests in downloadable PDFs. These resources can be utilised at your discretion. You don't have to use all of them; they are just suggestions. CCI does not endorse any external review course or material, including the ones listed below: 1. Hole's essentials of human anatomy and physiology by David Shier, Jackie Butler, and Ricki Lewis - published by McGraw-Hill. 2. Electrocardiography for healthcare professionals by Kathryn A. Booth and Thomas E. O'Brien - also published by McGraw-Hill. 3. Rapid interpretation of EKG's: an interactive course by Dale Dubin - 6th edition, published by Cover Pub. Co. in 2000. 4. Marriott's Practical Electrocardiography by Galen S. Wagner and David G. Strauss - published by Wolters Kluwer Health/Lippincott Williams & Wilkins.
