Warriors All-Stars [] Naotora at Warriors All-Stars. She is visually modeled after the Japanese actress Satomi Ishihara, who is observed that KOINUMA favors. She has simple and effective throws, but her wineries are mediocre and leave a lot to be desired in terms of advantage and damage. GAMEPLAY [] See also: Naotora II Naotora II Command List Using powerful kick attacks improved by the blades attached to the ankles of the metal combat boots. Appearance [] See also: Naotora suits Because they come from the Sengoku period of Japanese history, Naotora II wore Japanese armor according to that period of time, as corrugated shoulder armor and red lacquered armature. In Dead or Alive, this general style is transferred; She uses a multitude of multiple-level kick attacks that make an impressive damage, and has easy commands to make of her kickheads, as well as some arm-based attacks, and even attacks that involve the use of Your buttocks. She urges the protagonist to rescue Naomass from danger and is happy when the day gets along well. The predetermined naotora attire are actually the DLC costumes of her from the native series of Samurai Warriors of her, in addition to her second costume of her, which is a recolor of her. Naotora goes out to Naomass and happily suffocates it with affection. Currently it is the unique Last Round or Vivo 5 car. So that it does not have absolutely any launching labels or interactions with label equipment with no character. Coincidentally, both were also invited combatants in their respective games. Statistics [] The following are the official naotora statistics as they are listed in the game. Unfortunately, she is not aware that NaOhira has become a Loon in her elderly and is often wrong to make several violent and / or unnecessary facts in her name. She scrolls when the daring pranks of her playable counterpart of her offend others, often apologize for him and express her faith in her honorable traits. Until now, it's the dress style of it is a mystery due to using anything else that the girls in the packets wear out without too much differentiation, but she seems to dress relatively modest as she has a kind of cute guy. The words of her friend inculcan with the courage to fight; The ancestor of her is the wise of all the knowledge of her family creed. Naotora is more willing to help the protagonist without a name than to her son, who leaves the saviors of her. In the case of Naotora, she was designed to be a contrast with the female characters previously established in the series. She's preferences are configured from her to warn him about this type of mature content. She often remembers the words of her best friend, Tazu or her great-grandfather, Naohira, by orientation. It was launched in Japan on April 21, you will come ... Are we still the most incredible competition to share with you? With great thanks to the Opos ... True Richard Garfield to revitalize my interest in Deckbuilding Roguelikes. At the last round, where he threes a fighter, he behaves with the way; she is still apologized, but going through her intros, she is determined to defend himself while he says he is ready to fight and after leaning and apologizing, he tells his opponent that he can not do jelos dÁ © She is mistakenly believed to yourself to be ugly, clumsy and brutal. In transitions on stage, particularly the cases in which the player descends at a lower level, naotora sometimes ended up with uncontrolled falling, and then landed BUTT-first in the fighter, although this will not have an impact Negative on the player. His history of origin and his actions are repeated with few alterations in the warriors of Samurai 4. She has access to a special posture of "II Family Creed" that has a powerful follow-up, but they are highly predictable and telled, and have a Start-up something slow. Songs for use at close range. I thought it was done with ... I am going to simply copy on a great piece of my original Neptunia review ... with the strikes of the rapid leg, Naotora II jumps to the refrieker! This Mashup reits the action of the Samurai warriors and the combat entertainment of the dead or living 5th rounds. Carácter [] Development [] Hisashi Koinuma, the producer of the Warriors series of Samurai, wanted to respond to the requests of the fans of new characters, while appealing to the desire of the team to include the characters that can be adjusted to The multiple scenarios options in the main history mode of the series. She is the head of II clan, who is new for her responsibilities. Naotora after a nearest inspection she borrows a fuss of existing attacks from other characters, such as Marie Rose, Momiji and Lisa. She often wins courage to decide the future of her clan through her private chats together. When she is not worried about the future of her clan, she fears the possibility that she always provides her opportunity to live a normal life of femininity. The personality [] Naotora is friendly and optimistic but timid. Although she fears her duties half, Naotora feels very insecure of her giant proportions. Etymology [] (†> " Á " € Á½) is a male name that uses the " NAO "(†> ") straight ") passed within the family II. They appear as a mitama (deceased metals) and are That are already dead. No other option, but to fight for his life, and keep his motto from his family "once on the battlefield, one must face the head of the enemy in the mind, a certain naotora is proposed to emerge victorious of this Removal new challenge.. Toukiden [] Samurai Warriors Naotora and his son Start a Samurai Warriors event for the now Dismor of the Battle of the Toukiden Social Game. Samurai Warriors 4-II has his fight to Kamaki-Nagakute, where she With pleasure, it goes through the leadership of the clan to a matured nomassa and retires. The developers like it and call it "Naotora-Chan". She rises over other women and men, and stood up awkwardly on crowds. She seems that II does not seem that the really difficult defeat, since you can see a little smiling while falling from the knees, apologize before saying "no more " while starting panting. Her friend of the family Iio, Tazu, He tells him to trust Ieyasu Tokugawa. Ell She fights for the Tokugawa along the series to promote children's nomasa and that some day pass with clan leadership. The queen told her daughter, Tamaki, to summon the Her Roes of another world to save the land of her, but the attempt to summon badly worked and left them scattered in different areas. Ladies in the mold more or less choose to fight, but Naotora was conceptualized to be the forced woman against her will to fight. She comments that these characters feel as if they usually did not fit into a typical samurai Warriors title. In general, she is a simple type of skilgate that can be quite effective in a match, but she avoids purifying, or you will receive a great punishment. The movements of it, although they are powerful and rapid, are somewhat linear and have a lot of recovery in it over the best attacks, and most of them are insecure in block or highly telegraphed. While His other costumes, his hair is mainly encouraged from his back, unless he makes certain rotating attacks, his hair will cry on his shoulders and and More freely when using your cowgirl attire. Even when she reaches adulthood, she has not dropped her preference for calling him by her name from her childhood, Toramatsu and struggles to correct yourself. Despite being a guest fighter, it receives a constant amount of DLC, unlike the other guest characters, which is due to the same IP as the dead or living series, but is excluded from most collaborative packages From third parties, except until the launch. of the last collaboration of the last collaboration of the collaboration of the suit of the BaÁ ± o dic suit. She is currently the unique female fight on the dead or living list to be a confirmed mother, being the adoptive mother of Naomaa II despite being biological her aunt, and one of the five characters from the list to confirm parents (the Unique others being under Armstrong, Gen Fu, Shiden and Raidou). Naotora is grateful that someone understands her and feels safe with her tranquility. The lack of touch of it has made the elders of the Clan of II shake the shame. In combat, she can hear him to say sorry after the movements, like a shoot when she becomes against a back, she turned opponent, when she throws cliffhanger, and during her power.
