Cases and materials on international law 8th edition

Image not available forColour: To view this video download Flash Player This classic international law casebook is revised throughout and updated to cover recent case law, including several landmark decisions by the International Court of Justice on Russia's invasion of Ukraine (2021-24), alleged genocide by Myanmar (2022), the Israel-Hamas armed conflict (2023-24), and the right to self-determination for Palestine (2024) and during the decolonization of Mauritius (2019). It has all the materials needed to illustrate how the subject works." Lex JournalStudents of Public International Law require access to an overwhelming variety of materials which are not always easy to obtain. The Internet Archive is a nonprofit fighting for universal access to quality information. CasebookPlus provides support beyond your classroom lectures and materials by offering additional digital resources to you and your students. With extraordinary range and depth, this casebook probes issues of current relevance such as rising sea-levels that threaten Pacific island states, the 2023 biodiversity beyond national jurisdiction (BBNJ) treaty, and the International Criminal Court's arrest warrants for Russian, Israeli, and Hamas leaders, all calculated to provoke engaging classroom discussions. The Internet Archive is working to keep the record straight by recording government websites, news publications, historical documents, and more. We understand that not everyone can donate right now, but if you can afford to contribute this Thursday, we promise it will be put to good use. The quiz editor allows you to create your own custom quiz set, suppress specific quiz questions or quiz sets, and time-release quiz questions. Anchored by faculty-authored formative self-assessments keyed to our most popular casebooks, CasebookPlus allows students to test their understanding of core concepts as they are learning them in class - on their own, outside of the classroom, with no extra work on your part. a must for any student who does not want to spend literally days in a law library trying to find these materials" Student Law Journal"It is just a comprehensive text. If you find our work useful, please pitch in. This casebook is designed for use in both introductory and advanced classes. Cases and Materials on International Law draws together in one volume an exhaustive selection of cases, materials and background information on the subject, which is supplemented by authoritative commentary and expert analysis.Widely recognised as the leading text of its kind, the eighth edition of Cases and Materials on International Law incorporates all major developments in the subject, including:International Court of Justice judgments on the jurisdictional immunity of states (Germany v Italy) and on the obligation to prosecute or extradite in cases of torture (Belgium v Senegal), as well as the Court's advisory opinion on the legality of the declaration of independence in respect of KosovoNew judgments of the International Court of Justice and the International Tribunal for the Law of the Sea on maritime disputesThe International Law Commission's Guide to Practice on Reservations to TreatiesThe use of force in Crimea, Libya and Côte d'IvoireDevelopments in the UN human rights system La 4e de couverture indique : "Students of Public International Law require access to an overwhelming variety of materials which are not always easy to obtain.
