Pg diploma in business and corporate law. Pg diploma in corporate law from ignou. Pg diploma in corporate law distance education. Pg diploma courses in corporate law in india. Pg diploma in corporate law in india.

Overview Post-graduate Diploma in International Business Law provides a coherent curriculum that allows law graduates, lawyers and those with a relevant first degree to develop a detailed knowledge and understanding of international commercial law at the post-graduate level. This course is available for students from a legal and non-legal background. The objective of this program is to develop legal skills, analysis, logical thinking and knowledge that can be applied in further study, legal profession and public service. It provides students with an understanding of the law in the business context to equip them with the skills needed to work with advance problems. By the end of the qualification, students will be able to: Subject a wide range of subjects in international business law. Develop an understanding of the legal framework governing international commercial transactions. Demonstrate an understanding of commercial trust law, company law, international commercial law, intellectual property law, and the law of financial crimes in international business. Develop research skills and writing skills on key areas in international business law. Critical analysis of legal texts. Structure The overall structure of the course is based on 6 mandatory modules covering a number of topics related to learning outcomes. Each unit has the equivalent of 20 credits. Students will be invited to participate in conferences and workshops that will introduce the subject matter. Students must successfully complete all units and earn 120 credits before the Diploma can be awarded. Total Qualification Time (TQT) to complete the full qualification is 1200 hours. While, Guided Learning Hours (GLH) refers to the amount of study undertaken by students under the guidance of their tutors and includes tutorials, seminars, workshops, direct research, project or assignment. It is expected that a student will have to complete the TQT after each unit to complete the full Level 7 Bachelor's Diploma in International Business Law. Admission Requirements Students must meet the following criteria to be admitted to the EBMA program: A law degree or equivalent qualification is usually required to meet the entry requirements. Graduates of related disciplines may also apply for the Postgraduate Diploma in International Business Law if they provide evidence that they have relevant skills to study it. Assessment modules are typically evaluated by the individual assessment. The evaluation involves investigative assignments, presentations and action research activities. The main objective of the evaluation of the Post-Graduate Diploma in International Business Law will be to Students can study this qualification directly with the EBMA through its e-learning environment, or through accredited centres.
